

**Caution**

Please read carefully.  
\*Be careful not to cut your hands or fingers when using knives or scissors.

- Scissors line
- - - Mountain fold
- - - Valley fold
- Glue tabs

**Assembly Instructions**

1. Cut carefully along the line.
2. Use an implement such as a ball-point pen to score lines in the paper to make careful mountain folds and valley folds.
3. Refer to the diagrams as you add glue and assemble the parts in order.
