

Leaping Goat

This "moving paper craft" features a goat with large horns on his head, leaping across a grassy hill.

Assemble the model together and, after the glue has completely dried, turn the handle and watch him go! Your goat will stretch his legs out and leap with all his might!

Assembly Instructions

----- Mountain fold
● Make a mountain fold.

- - - - - Valley fold
● Make a valley fold.

— Scissors line
● Cut along the line.

— Cut in line
● Make a cut.

A1 Glue spot
● Glue parts with the same number together.

Tools and Materials

Scissors, set square, glue (such as woodwork glue), metal rod, spatula, a used pen, toothpicks, tweezers (useful for handling small parts).

Assembly Tip

Before gluing, crease the paper along mountain fold and valley fold lines and make sure rounded sections are nice and stiff.

Caution

This craft requires the use of glue, scissors, tweezers, and other tools which may be dangerous to young children. Please keep them out of reach of children while you work.

Handy Hints

Trace along the folds with a used pen (no-ink) to get a sharp, easier fold.

● Before assembling: Use spray adhesive to attach page 06 to the back of this paper.
*Be careful not to put it upside down. We recommend using thick matte photo paper for the front sides.

● Before assembling: Use spray adhesive to attach page 07 to the back of this paper.
*Be careful not to put it upside down. We recommend using thick matte photo paper for the front sides.

- Before assembling: Use spray adhesive to attach page 08 to the back of this paper.
- *Be careful not to put it upside down. We recommend using thick matte photo paper for the front sides.

- Before assembling: Use spray adhesive to attach page 09 to the back of this paper.
- *Be careful not to put it upside down. We recommend using thick matte photo paper for the front sides.
