**Assemble the body, fin and tail**

*Use pattern: Page2 to Page4.*

1. Cut out A1 by cutting along the lines.
   - Cut along the line marked ____________.

2. Make a mountain fold and valley fold on A1.
   - Trace along the mountain fold line and valley fold line with a stencil pen, scoring it to make it easier to fold.

3. The parts will be easier to assemble if curled.
   - Using the photo as a guide, move your fingers in the direction of the arrow, adjusting the pressure to curl the paper.

4. Add a slight curl to A1 when attaching it.
   - Attach the triangular glue tabs so that the front side becomes convex.
   - Using the photo as a guide, attach in the direction of the arrow.

---

**<Caution>**

- Keep scissors and glue away from small children.
- Be careful not to cut your fingers when using scissors.
Attach A2 and A3 to A1.

Attach A4 and A5 to the body.

Attach A6 and A7, and attach them to the body.

Attach A8 and A9 to the body.

Attach A10 to the body.

Attach A11 and A12 to the body.

Attach A13 and A14, and attach them to the body.

Attach A15 to the body.

Make this area indented.

Apply glue to the area marked by the blue line.

Apply glue to the area marked by the blue line.

Put glue on the parts indicated in blue, and attach together in line with the parts' shape.
Assemble the display stand and coral

Use pattern: Page 5 to Page 8.

1. Attach B1, B2 and B3 together.
3. In the same way, attach parts B11 ~ B17 to B2.
4. Attach the manta ray to the display stand, and you're done!
