(Moving) Cute acrobat puppies

A circus is a special place where dreams become real. Everyone can enjoy a circus, young or old. Step right up for a world of surprises!

Clowns wearing big red noses, with a menagerie of animals : tigers, lions, giraffes, horses, elephants, and more. All are covered in sparkling, colorful clothing, and bring waves of laughter to crowds of circus-goers.

With the "Cute Acrobat Puppies" , when you slowly move the lever under the frame, 3 puppies leap through the ring again and again, and other puppies also jump up and down and perform stunts on the barrel.

■ Parts list (pattern) : Fourteen A4 sheets (No. 1 to No. 14)

■ No. of Parts : 58

* Build the model by carefully reading the Assembly Instructions , in the parts sheet page order.
