

**1** Cut out the parts and fold them along the fold lines on each.

**2** Fold each candle in half and glue the ends together. Then, cut each one out according to its shape. Attach the front and back of Cake A, and attach Part A.

**3** Attach Cake B (back-1) and (back-2) together and attach Part B. Put Part C through Part A from Step 2. Then, attach it to Cake B (back-2). Put glue tab B between Cake B (front) and (back) and attach.

**4** Attach Cake C (back-1) and (back-2) together. Next, put Part D through Part B from Step 3 and attach it to Cake C (back-2). Then, put glue tab C between Cake C (front) and (back) and attach. Decorate the cake with candles just as you like and you're done!
