

ストームトルーパー2 風

このまま 100 % でプリントして Mサイズ (頭回り70cm) になります。96 % で Sサイズ (67cm) になります。ご自分の頭回りより 10cm 位大きくないとかぶれません。拡大は最大で 110 % (77cm) まで可能だと思います。

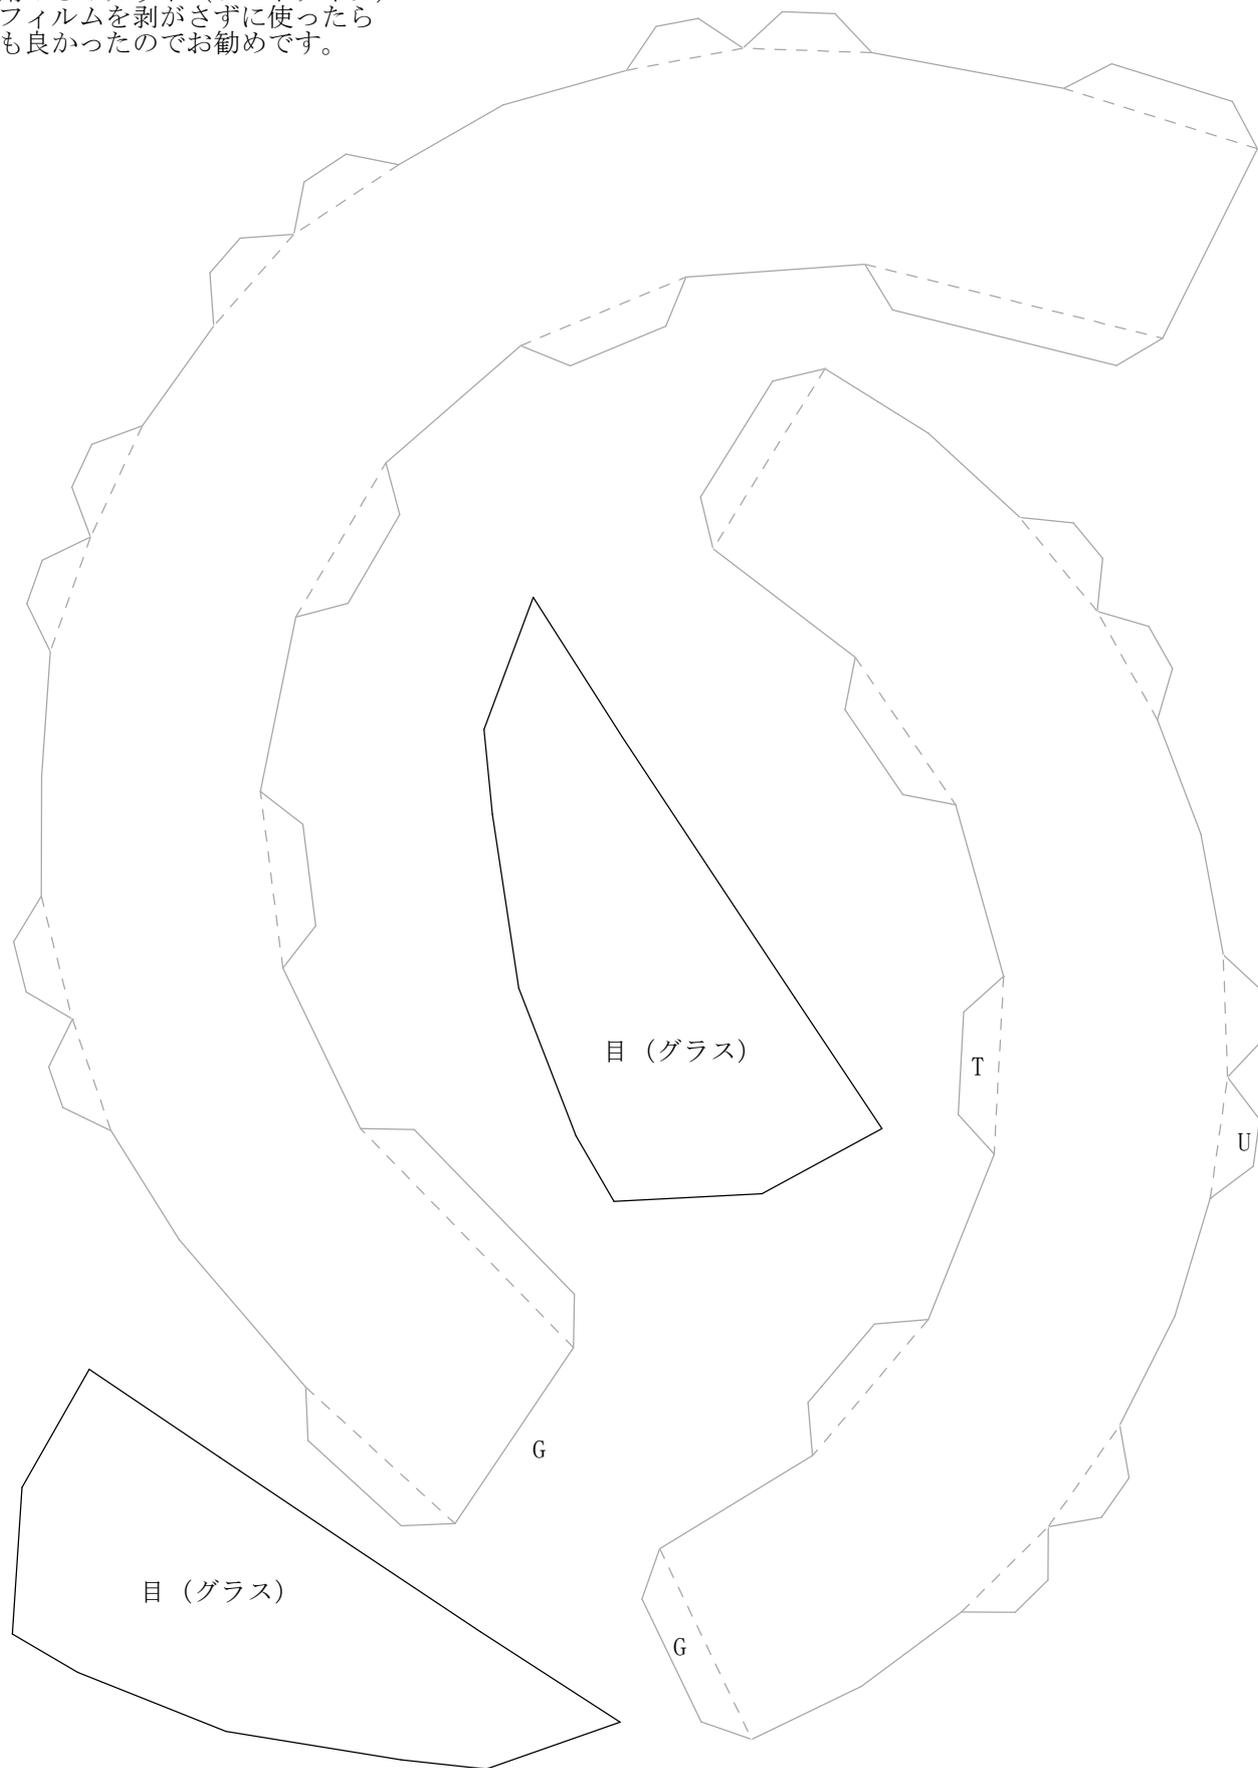

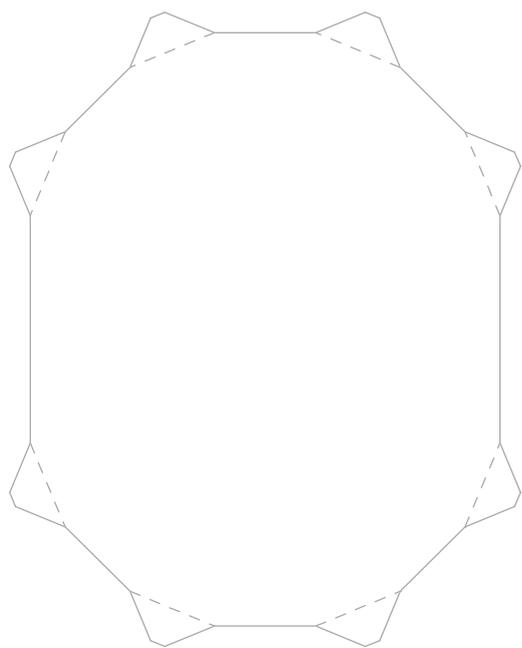

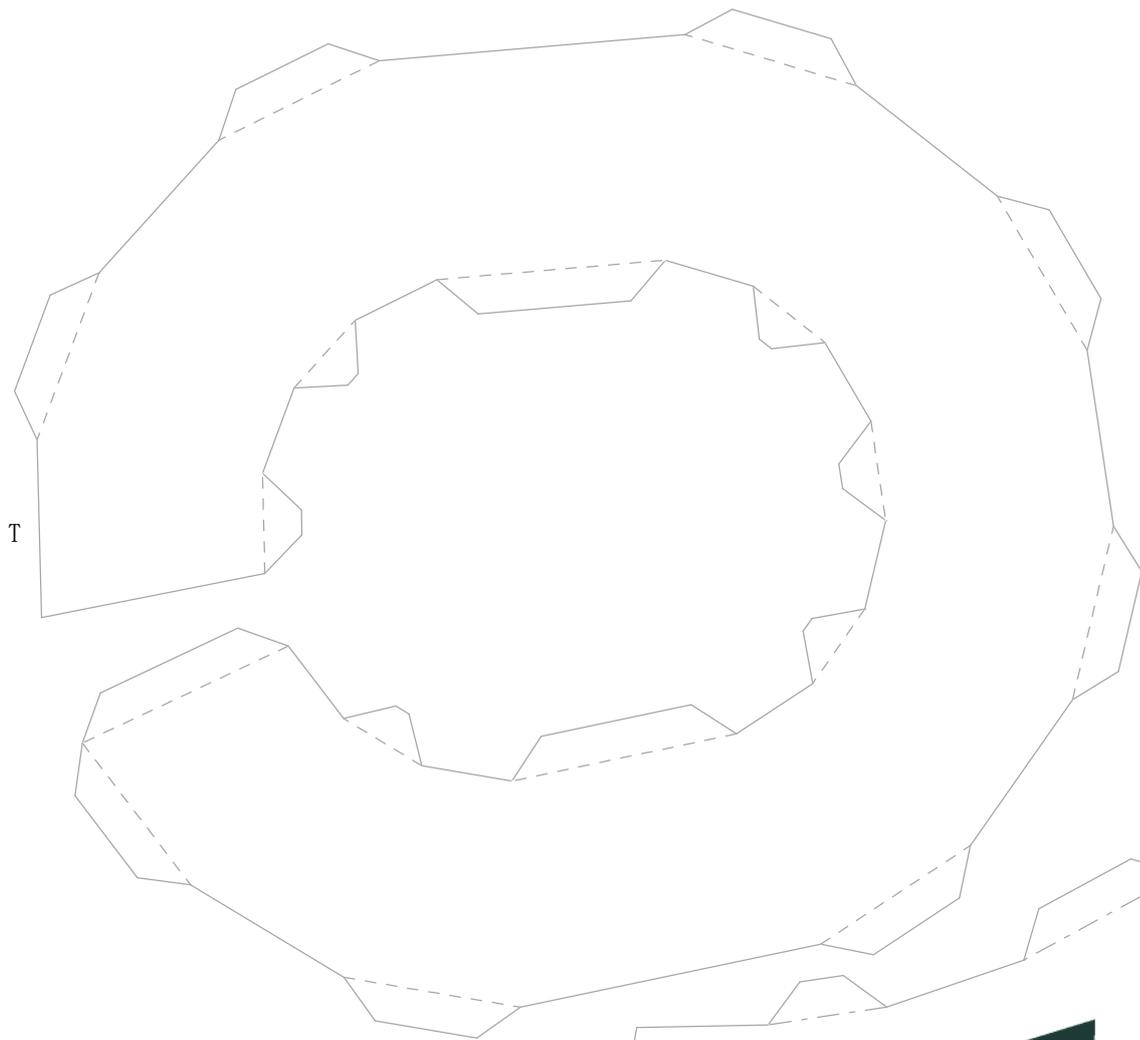

全パーツ共通ですが、貼る前に
場所に合わせて丸みを付けて
おくと貼りやすいです。

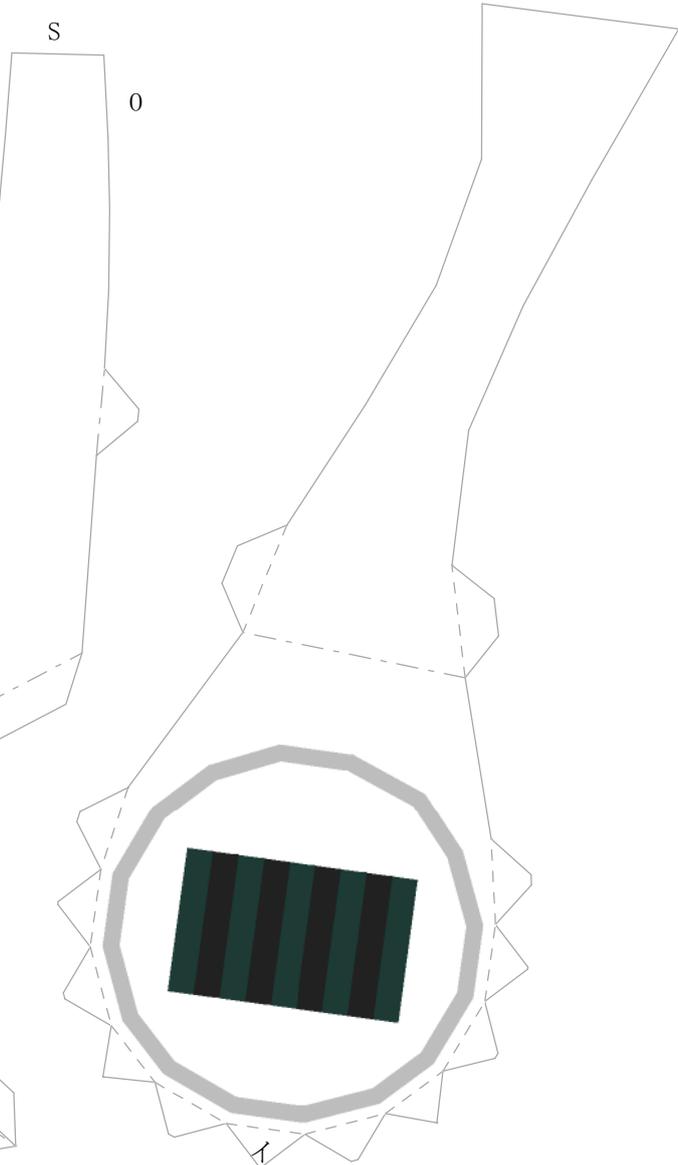

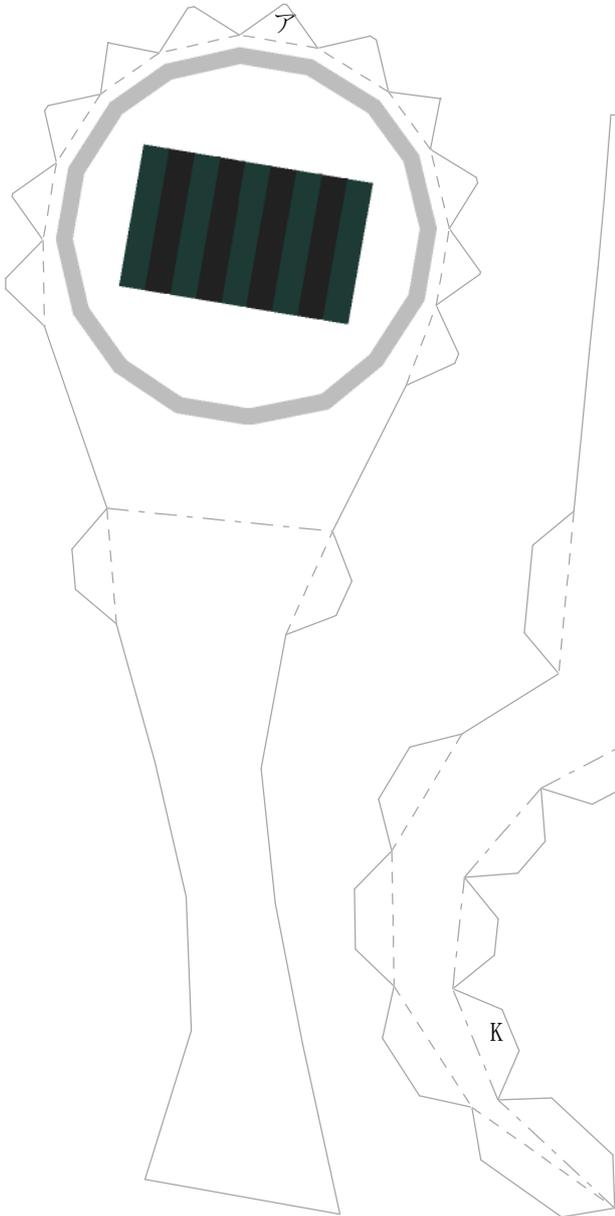

ガラス（目）のパーツはこれを型紙として
周囲を 1 cm 程度大きくカットします。
車窓用のUVカット（シートタイプ）
の裏フィルムを剥がさずに使ったら
とても良かったのでお勧めです。
