Tron: Legacy is a 2010 American science fiction film produced by Walt Disney Pictures, released on December 16, 2010. It is a sequel to the 1982 film Tron. Joseph Kosinski makes his feature film directorial debut with Tron: Legacy, while the previous film's director, Steven Lisberger, returns as a producer. Jeff Bridges reprises his roles as Kevin Flynn and Clu, while Bruce Boxleitner reprises his roles as Alan Bradley and Tron. Garrett Hedlund portrays Flynn's now-adult son, Sam. The other cast members include Olivia Wilde, Beau Garrett, Beau Garrett, and Michael Sheen.
